Note: We are sharing a letter from LWV Dane Co to their membership regarding the scams hitting numerous LWV chapters. These scams are affecting us all, so we must remain vigilant: Phishing scam asks for gift cards, etc. I am writing to inform you of emails our members have been receiving from fake email addresses, asking you to send 6-\$100 gift cards, or in some cases gift certificates. These emails DID NOT come from me or the League of Women Voters of Dane County.

Under no circumstances should you purchase gift cards or gift certificates. We will never ask members to purchase these items for the League.

All correspondence from me will come from president@lwvdanecounty.org, or our office email, office@lwvdanecounty.org.

If you receive one of these emails, please report it to Google. To do so, open the email and click on the three dots next to the reply arrow, then click on "Report Phishing." Only the person receiving the email can report it, so it important to let Google know about the emails.

I appreciate your attention to this matter and apologize for the inconvenience this may have caused you.

In League, Sue Jennik, LWVDC President

Congratulations to all of us in the LWVSCV for finishing the Unite Rise 8.5 Playbook #2 strong and engaged!

We rallied, we held important educational outreach, and we had FUN bringing the History of the Wisconsin Suffrage Movement into our communities with the Oh, Dear! What can the Matter Be – Women are Wanting to Vote Readers Theater.

Thanks to a prompt response to the LWVWI that YES we had a project READY we were able to secure \$600 in Unite Rise grant money to help defer the costs of the Readers Theater project and the four birthday celebrations we held to honor the 10th Anniversary of the LWVSCV.

The Unite Rise 8.5 campaign now moves into Playbook #3 – Nov 25-Jan 26. Please note the attached monthly calendars outlining goals and activities for the next 3 months.

I want to add this quote from the CEO of LWVUS Celina Stewart

"I want to return to the belief that grounds all of our work: We believe in the power of women to change democracy... only together will we rise above division, resist authoritarianism, and grow a democracy that truly reflects us all. Because when women lead, democracy wins."

Forward together!!

Beth Wood (co-President LWVSCV and captain Unite Rise 8.5)

The LWVSCV was the recipient of a \$600 Unite Rise Project Ready grant which helped with the costs of the four Readers Theater performances and the four celebrations of the 10th Birthday of the LWVSCV,

held the weekends of Oct 18-19 and Oct 25-26, 2025.

Beth Wood (Unite Rise captain), Vicki Harmon (Director) Katrina Larsen (Treasurer)

The LWVSCV amplified the message at No Kings rallies and at our Readers Theater performances this past weekend.

What to know about the "SAVE Act" by

Funded by 100 Women Who Care Polk•Burnett

What is the Safeguard American Voter Eligibility Act (SAVE Act)?

The United States House of Representatives has PASSED House Resolution (HR) 22, the Safeguard American Voter Eligibility (SAVE) Act, which would require every eligible voter to provide documentary proof of citizenship to register to vote.

The SAVE Act may sound harmless, but it's a dangerous step toward voter suppression. Requiring extraordinary proof of citizenship could block millions of eligible voters — especially women, seniors, students, and communities of color — from participating in our democracy. Currently the SAVE ACT is being rebranded and attempts are made to introduce the same limitations on voting rights through other names and avenues! Be educated and aware and then advocate for Voter's Rights!!!

Here's what you can do:

Learn more about the different ways that voters' rights are being hampered!

Join us in Amery on November 10 to learn more.

FIND YOUR HUB HOME!

You, as an important part of our League, are a part of one of four HUBs. Our goal is to create more intimate communities within our larger League community. We are hoping that members will pull together around their local library, high school, and community events, etc. to accomplish our goals more effectively. HUBs will have their own coffee and work sessions.

This is a new restructuring effort for us. The Board will continue to oversee everything we do, but HUBs will be empowered to decide how best to work within their more local community. HUBs have been divided geographically for ease in planning, but the idea is fluid. Although you may be assigned to a HUB, any member is very welcome to do activities with members of other HUBs.

This is a work in progress. Bear with us as we navigate this system. We are looking for greater impact and sustainability! Each of you is an important part of this effort! (please see the attached pdf labeled Hubz for details)

Kay and Kathy Voter/Member Services

Members Kay Brooks, Kathy Streitz, Evanne Hunt, Janet Anderson, and Kate Manecke pose for a picture after the upbeat coffee at Table 65 in New Richmond on Wednesday. 10 members attended and discussed the success of the Readers Theater as well as many other topics.

Blankets are urgently needed by many of our immigrant neighbors. To provide adequate and healthy blankets to them, we are asking for donations of new blankets. The families' requests are for queen or twin size blankets. Only new and machine washable blankets will be accepted. There are about 150 families needing blankets, so this is a big ask.

The families are located throughout the three county area, so we would like to receive the blankets by December 1 in order to coordinate distribution with the monthly food bank distribution.

If you can help with this urgent need, please drop off blankets at **84 County Road T**, **Hammond**,or text **Denise Flaherty for pick up at 651 253 8880 before December 1**. Thank you for your generosity and for considering helping with this urgent opportunity.

Denise
